

Meet the needs of diverse learners with the right tools that support both teacher and child development

**Tools of the Mind** combines high quality professional development with a comprehensive K curriculum designed to support self-regulation development. Our K curriculum covers all core content areas, and engages children in kindergarten-appropriate playful learning.

**Tools professional development and curriculum** empower teachers to close the achievement gap, meet each child where they are, and help every child reach their full potential.

**Tools K program is:**

- Research-based
- A CASEL SElect Program
- Aligns with the Science of Reading and state standards

Every  
CLASSROOM RECEIVES

1 2 3

**High quality professional development** with the option for college credit—30 hours (5 days) of interactive professional development workshops scheduled across the year to support implementing Tools curriculum and approach to classroom environment, schedule and classroom management.

**Small group Tools-facilitated PLCs—** A series of monthly virtual meetings for teachers, coaches and administrators, offering facilitated discussion focused on activity key steps, implementation Q&A, and how to meet the needs of diverse learners.

**Individualized coaching support** for each classroom via our own video coaching app TREE—Teachers Reaching Educational Excellence, focusing on one activity each month. TREE is a platform for partnering with teachers in shared reflection on teaching and learning interactions to support every teachers' development in applying Tools' approach to meet the needs of all learners.

**Attain Endorsed Teacher Status** by successfully completing the endorsement process.

**YOU GET A TEAM SUPPORTING YOUR TEAM**
